Missing / Escape  
Cpl. D. McKay #350

On 08-24-18 I was dispatched to the report of an escaped juvenile from Fairfax. The juvenile was later identified as *Juvenile Witness* (████████). While enroute I was advised that Fairfax had INVOL paperwork associated with *Juvenile Witness* and that there were staff members following him.

As I came into the area I saw *Juvenile Witness* crossing the Juanita High School access road. I stopped my patrol car and *Juvenile Witness* immediately laid down on the sidewalk with his hands behind his back. I verified that he was *Juvenile Witness* and detained him in handcuffs. I then transported him back to Fairfax and released him to the staff. When I removed the handcuffs from *Juvenile Witness* I didn't see any marks on his person and

While writing this report I ran *Juvenile Witness* name and found out that he was a listed missing / runaway juvenile out of the Lake Steven PD. The entry was located and cleared.

This concludes my involvement with this incident.
